

We produce family calendars using your own photographs

Just supply 12 of your favourite family photos....and let us do the rest!

Minimum Order is just 1 calendar. Discounts for multiple orders. Call us on 01342 843 770 for further information.

We have a wide range of shapes & sizes to choose from:

- ✓ **Desktop calendars** (in plastic jewel cases)
- ✓ **A4 calendars** (portrait & landscape)
- ✓ **Slim calendars** (short & long)
- ✓ **A3 Planners** (with separate columns for up to 6 different members of your family)

Photos, Family Name & Your Own Colour Scheme

All of our calendars display your very own photographs and your family name (optional). You can also specify a colour scheme that will be used throughout the calendar.

All 12 of your pictures are also displayed on the front cover.

UK National Holidays

All UK national holidays & important dates are also included.

Other Features

All pages show the previous & next month in a smaller grid. Also there is a notes area on the portrait A4 and A3 calendars for you to jot down various reminders.

Excellent Quality

Your calendar will be printed on 200gsm matt paper on all 13 pages. We do not print on both sides of the paper, as this makes for a "flimsy" product.

With the exception of the Desktop range, which come in plastic cases all other calendars are wire-bound with metal hangers and a thumb hole.

However, we cannot be responsible for them whilst they are in transit. Therefore, we would strongly recommend that you wrap them in a sealed plastic bag, to guard against damp/wet, and in a hard-backed envelope to further protect them.
